On the Canal, Councillor Bowen reported that the vegetation is overgrown and encroaching on the towpaths and needs to be reported to C&RT and the amount of Himalayan Balsam is getting out of hand all agreed for the Clerk to notify them. Councillor Bowen mentioned that he would like to know the regulations on moorings and are people allowed to live on the canal as they seem to be doing. Councillor Jennings stated that the towpath is public, and the C&RT can allocate moorings but on the other side it belongs to the landowner's and their responsibility and if they give permission to boats as long as they are insured it is up to them.
31. **UPDATE CHEDDLETON PLAYING FIELD CHAIRMAN'S IDEAS/ OWNERSHIP - FIELDS IN TRUST** - Councillor Jennings reported that Fields in Trust want the Parish Council to take on the Playing Fields. This has come because of the disabled access enquiry which the Clerk has contacted them to ask for guidance as owners. The responsibility is with them and if we take on the ownership, we still leave wide open for additional responsibilities, and we do not have the funding to make those kinds of alterations to make it accessible. Councillor Bowen stated that the original risk assessment stated that there is other access via other entrances. Councillor Bowen proposed that we do not take on the ownership, seconded by Mrs. Shaw all agreed as Fields in Trust must keep it as a playing field.
32. **UPDATE DISABLED ACCESS ENQUIRY** - No update given.
33. **GENERAL CONDITION OF THE FIELD** - Mr. Beresford reported that the tennis court is a mess and that there is glass that has been there for weeks. Councillor Mrs. Shaw stated that it took a while to get the steps cleared of weeds. Councillor Bowen stated that Steve should be doing this and maybe we need to employ someone in addition to him. Councillor Worthington stated we need to ask Steve if he has not got the time to deal with things now that he has taken on additional Councils. Councillor Mrs. Shaw asked about the Tennis Court improvements and Councillor Worthington mentioned mark Deaville is looking to fund this. After the fire of the bins Councillor Shaw patrolled a bit to keep an eye on things. Mr. Beresford stated he is disappointed that the areas are being neglected and he has people asking him what is happening. He has been doing some maintenance and cleared the Tennis Courts but that the safety surface is getting worse so Councillor Mrs. Shaw will take some photo's and report it to Louise. Councillor Worthington stated he has taken on more hours and maybe needs an assistant.
